

Pierce College Classes at GHCHS

Spring 2018

The following classes will be held for credit at GHCHS this spring. These classes will begin February 5 and continue to May 11. Students who are depending on credits earned in these classes to complete diploma requirements must speak to their counselors and also sign an agreement authorizing the Pierce instructor to release grades to GHCHS. Although verification of a passing grade will allow a student to participate in the graduation ceremony, students will be responsible for submitting an official transcript in order to receive their diploma.

Submit your application early as certain classes fill up quickly. **REMEMBER**, students are responsible for ordering an official transcript from Pierce College upon completing the course. Finalization of grade and granting of credits will only be complete when an official transcript has been received by GHCHS.
