Learn about California's New Accountability System

On March 15, the California School Dashboard was released. The Dashboard, located at <https://www.caschooldashboard.org/>, is the new California State accountability system that reports on a multitude of measures: Academic Indicator, English Learner Progress, Chronic Absenteeism, Graduation Rate, Suspension Rate and College and Career Readiness.

Please join us for an informal meeting to introduce the Dashboard, discuss the GHCHS results, and how this data will be utilized in development of the GHCHS Local Control Accountability Plan:

Wednesday, April 26, 6:30 p.m. in Rawley Hall
