

# GRANADA HILLS CHARTER HIGH SCHOOL

Parent/ Guardian,

Due to the implementation of our new computer system, Student Identification Cards now serve more purposes at GHCHS than they ever have in past years. ID Cards are required as identification for all school activities, use of Library, in the Textbook room, the Student Store, etc. Therefore, if a student loses or misplaces his/her ID card, it causes multiple problems in several areas, including his/her personal finances. Student responsibility is extremely important!

**All GHCHS students MUST carry their ID card at all times.**

---

**There is a \$5.00 fee to replace an ID card for the 1<sup>st</sup> time.**

**\$10.00 will be assessed for any succeeding ID replacements.**

This fee MUST be received before the replacement process can begin.
